

# AMMAR CHALATI

## FRONT END DEVELOPER

### ABOUT ME

I am 22 years old, I live in Lattakia, I am a student of information technology engineering at Tishreen University and I also learned Front-end in the last four years so I am trying to develop myself in every way with it in order to become a professional.

### EDUCATION

2019 - 2020

#### THIRD YEAR OF SECONDARY

I got my third year secondary school certificate with an average of 93.75%.

2020 - 2022

#### FRONT-END DEVELOPMENT

I Started learning frontend development through Youtube, Udemy, Coursera and many education platforms.

2020 - 2025

#### IT ENGINEERING

I started studying at the Faculty of Informatics Engineering at Tishreen University.

### EXPERIENCE

2022 - 2023

#### AMS MEDIA

I have worked in ams agancy for IT team and work on many projects

2021 - 2022

#### A SOFTWARE TEAM

I gained a lot of experience in front-end and working with a team, and I also gained some experience in solving problems.

2021 - Now

#### FREELANCE WORK

I have received some projects and have completed them in excellent condition.
